From the desk of the Census Commissioner

On my personal behalf and on behalf of the Office of the Registrar General & Census Commissioner, India, I extend a warm welcome to all of you who have been selected to be a part of the great national exercise of Census 2011.

2. Each one of you can take satisfaction that you are part of the largest administrative exercise in the world. It is the sincerity and hard work of each one of you that has contributed to the success of the Census exercise which has been continuously conducted in the country since 1872.

3. The work that you are about to begin will greatly contribute to the future of our country by providing basic inputs which go into the planning exercise. In that sense you are a part of the nation building activities.

4. I appeal to all of you to take up the work entrusted to you in right earnest and ensure that Census 2011 is a complete success. I once again wish you all well in this great national endeavour.

Dr. C. Chandramouli, IAS
Registrar General and Census Commissioner, India
